REACH MY CITY ADOPT-A-STREET CAMPAIGN

Why Should I Adopt a Street?

The streets of Fort Myers, or any city, are its lifelines. When the streets experience peace, the people on those streets experience God's peace and presence that transcends all understanding. When peace and light come to a neighborhood, a business or a family—positive things begin to happen from economic growth to stronger families and healthier neighborhoods through decreasing crime.

Benefits of Joining a Prayer Movement

Prayer touches the heart of God to provide people and resources that are needed to repair a city due to extreme economic circumstances, poverty, crime or other areas affecting the quality of life for all residents..

Prayer infuses hope as God responds to situations that appear dark and hopeless.

Prayer helps change the spiritual climate over a city by inviting God and His Kingdom into present circumstances.

Prayer links together Kingdom-minded people who live in different communities.

Prayer unifies the body of Christ to focus on God's mission to destroying the works of darkness. Prayer is the beginning point of evangelism and discipleship. **FOR THE EYES OF THE LORD ARE ON THE RIGHTEOUS, AND HIS EARS ARE ATTENTIVE TO THEIR PRAYER. 1 PETER 3:12**

When you adopt a street and pray, you are helping the people who live, work and travel on that street. Adopt a street and you'll be praying for a family, a single mom and her kids, teenagers, workers and all who need the touch of God in their lives on that street.

Adopt one of the 1,034 streets listed on the listed on our website, <http://reachmycity.com>.

1. Pray for God's peace to rest on your street.
2. Pray for righteousness and justice to reign on your street.
3. Pray for prosperity to counter the spirit of poverty.*
4. Ask the Lord how to pray for additional needs on your street.

Poverty (lack of something) usually exists within one or more of the following areas:

1. Material resources to meet needs.
2. Relationships—people may be or feel alone.
3. Motivation—people may not have any hope.
4. Spiritual— people may not know they have a heavenly Father that loves them.
